Statement of Claims

As petition Layed on Sidewalk going in & out of Conscious the petition can only remember his Friend Screaming At the police to get off of him As they Violated the 4<sup>th</sup> Amendment U.S. Constitutional Right.

As their reason for ~~the~~ the police-civilian encounter was to do a "Terry stop" Also know as the Investigatory stop to briefly Detain.

But After petition Lost Conscious Ofc. Sullivan took Advantage of his chance to get away with Violating the 4<sup>th</sup> Amendment By Searching the petition's waist Area After petition produced a Florida State Identification At which the petition Felt as though he wasn't Free to leave Due to the accusation Ofc. Sullivan Accused the petition of.

Which Landed the petition in ~~the~~ the ambulance being transported to hospital After Ofc. Sullivan's 4<sup>th</sup> Amendment U.S. Constitutional Right violation Along with the 14<sup>th</sup> Amendment U.S. Constitutional Right violation as that victimized the petition to Maryland Declaration Constitutional Rights Article 22 24 and 26.

As Ofc. Sullivan Search and Seizure of the petition before calling the ambulance Violated United States Constitutional Rights Along with Maryland

(2)

DECLARATION CONSTITUTIONAL RIGHTS HIS UNLAWFUL ACTS WERE ALSO TORTIOUS ACTS WHICH VIOLATED CIVIL RIGHTS AND DEFAMED THE CHARACTER OF THE PETITIONER DUE TO THE BALTIMORE CITY POLICE INTRAPMENT GAME THEY PLAYED ON PETITIONER.

By showing a picture of the petitioners the day before saying call when you see him he has a gun.

That theory gave rise to the public seeing the petition then giving police official the right to a "Terry-stop"

Which no one really knows if OFC. Sullivan and his team worked personally with the caller's to be able to approach a reasonable person to target the petition.

As after the petition was sent to hospital OFC. Sullivan continued his police malfeasance violating the 4th Amendment due to the petition requested for OFC. Sullivan to get his backpack at which the petition doesn't know who gave the backpack to security after being taken to the hospital but OFC. Sullivan conducted another UNLAWFUL SEARCH AND SEIZURE.

Where documents state Greyhound station security officers called for the petition backpack to be picked up. At which OFC. Sullivan

met with Greyhound station security and was notified that petition left his backpack before being transported in ambulance

But Ofc. Sullivan neglected to respect the United States Constitution which governs the 4th and 14th Amendment right that protects civilians person, property and paper from search and seizure's without a warrant.

At which Ofc. Sullivan stated He found a gun underneath at the bottom of clothes inside the petition's backpack along with Hospital papers from Area Hospital with petition's name on paperwork.

Basically Ofc. Sullivan admits to the Unconstitutional misconduct which violates and victimizes the petition

Also Maryland State Attorney Marilyn Moseby is guilty of these same violation due to "the week exclusionary Rule" violation is "Accessory to Constitutional violation AFTER the Fact." Thanks to the Guise Law. There's NO Excuse that acceptable to support this kind of misconduct from Law Enforcement or State Law Official such as Maryland States Attorney and Assistant State Attorney Veronica Colson. For them to inflict malicious
